

Two Pathways to a dedicated relationship with CABC as an Enrolled Birth Center

“Engaged in accreditation” and “Enrolled Birth Center” are terms used by CABC to indicate a birth center’s **financial relationship** to CABC.

It is normal for some birth centers to be CABC-accredited and not yet an *Enrolled Birth Center*. All *Enrolled Birth Centers* are CABC-accredited.

COLOR KEY for Steps in the

Engaged in Accreditation and Not Yet Accredited

Engaged in Accreditation and Accredited

Enrolled Birth Center

Pathways:

4-Step Pathway for: Birth Center Established at least 1 year ago OR With more than 100 total births	7-Step Pathway for: Start-up Birth Center that is ready to open its doors OR Established less than 1 year ago OR With less than 100 total births
