Birth Center News Brief

Volume 4, Issue 4: April 2019

Meet the CABC Administrative Staff!

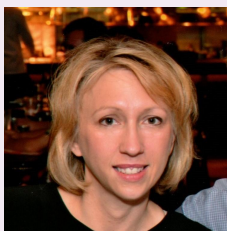

CABC consists of staff and volunteers who work together to serve accredited Birth Centers and Alongside Maternity Centers, as well as those seeking accreditation. The team includes the Board of Commissioners, Accreditation Specialists, Panelists, and Administrative Staff. The Administrative Staff are typically the first people you meet.

Michele DeAngelo, *Executive Director*

Michele first became involved in accreditation many years ago when she worked at Reading Birth & Women's Center (Reading, PA). She joined CABC in 2012 and held the role of Operations Manager before being promoted to Executive Director in 2018. Michele oversees the daily activities of the CABC, working closely with Commissioners and Staff, to provide support, education, and accreditation to developing and established freestanding Birth Centers and Alongside Maternity Centers.

Robyn Davis, *Executive Assistant*

Robyn holds a degree in Counselor Education and has spent her career working with children and their families, most often in the position of Volunteer Coordinator at not-for-profit organizations. Like Michele, she's a native Pennsylvanian. Since joining CABC in 2016, Robyn has worked with Birth Centers preparing for accreditation and re-accreditation, as well as behind the scenes on administrative tasks.
