## Birth Center News Brief

---

Volume 4, Issue 8: August 2019

### Why is it Important to Contribute Data to a National Registry?

---

CABC gets many questions about why accredited birth centers are required to contribute data to a national registry. Background is needed about why this is included in both the *AABC Standards* and the *CABC Indicators*. This edition of the CABC newsletter discusses the importance and benefits of your birth center's participation. Read more [here](#).
